Giants and Phillies Pull Longest Game of Season, With No Result.

WORK FEATURES

Tesreau Yanked in Third, and Ph Wiltse Finishes Game in Fine Style.

New York, April 22 .- The New York and Philadelphia Nationals played a thirteen-inning tie game here to-day, the score being 2 to 2. It was a won-derful pitchers' battle between Seaton and Wiltse, who went into the box for New York in the third inning after Luderus had hit Tesreau for a home run in the second period. Wiltse pitched the better ball, though Seaton did great work in the pirches. In the eleventh the Giants filled the bases, with one out, but could not score. They opened both the twelfth and thirteenth with doubles, but Seaton again tight-ened. Burns's work was the feature.

Detroit, Mich., April 22 .- A tele-

Detroit, Mich., April 22.—A telegram from Tyrus Cobb stating that he would reach Detroit Thursday morning was received here to-day by one of Cobb's associates. It is understood that a conference between Cobb and President Navin, of the Detroit club, will occur shortly after Cobb's arrival; that a satisfactory agreement will be arrived at, and that Cobb will sign his 1913 contract.

M'GUIRE'S GAME

the third time in a row went down to defeat before the Pittsburgh Pirates this afternoon, the score being 1 to 0. Excellent pitching by Perritt went for naught, the only hits that Pittsburgh were able to make, two in number, resulting in the run that won the game.

while the five hits for the Cardinals were so scattered that they were of no value. Aside from the almost perfect pitching of both Perritt and Cannitz and the airtight fielding, there was little feature to the game.

The stars for McGuire's were, first of all, Snead, who pitched an excellent game and who got three hits, two of which were three-baggers; Leach, who must feat three-baggers; Leach, who got four hits out of four times at the bat; Paschall, who played an all-around game and starred in base running, and T. Cogbill, for his fielding, while all the rest of the team played well.

For the High School the stars were

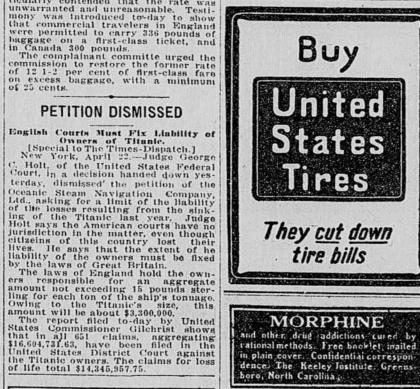

Blankenship, for his batting and base running, and Matthews, for a sensational catch of Graves's line drive Nearly all of the High School team batted well, and most were steady in

world's tournament record for indi-vidual bowling was established this afternoon, the last day of the National Bowling Association's seventh tournament, when George C. Kumpf, of Buffalo, rolling in next to the final squad, scored 712. His games were 224, 234 and 254. This figure beats both the National Bowling Association and the American Bowling Congress mark of 705. Kumpf did not use a loaded ball in establishing his record.

Fourteen Left.

Washington, April 22.—Washington suffered its first defeat of the season to-day, succumbing to Boston. 8 to 3.
President Wilson attended the game, and although around the seventh inning, with the home team apparently hopelessly behind, the crowd began to leave, the President remained until the last man was out.

Inability of Washington to hit Leonard at critical times was mainly responsible for the defent, the locals having fourteen men left on bases.

Raleigh, N. C. April 22.—Raleigh's primary yesterday for candidates, for commissioners in the commission, who received 991 votes for Mayor, more than all three opponents combined. Next highest was McNell, \$12. Johnson will be without opposition at the election on May 1. Under the law the two highest in the primary are the candidates in the election. So far Commissioner of Public Safety O. G. King, and Willard T. Dowell will fight it out, with indications that Dowell will control most of the votes cast in the primary for the weaker candidates.

For Commissioner of Public Works, John T. Jones, now city tax collector, and Richard B. Seawell, now city surveyor, are up for the contest. For police justice, W. C. Harris defeated his only opponent. Alexander Stronach, the vote being 1,272 to 332, so his election is assured.
